

## Conclusions

22 September 2023, 12:45-13:00

*The DataColl and FoodClass projects were funded by the EFSA-BfR Framework Partnership Agreement (FPA) GP/EFSA/AMU/2020/02.*

## Conclusions

- Focus on the support of the local inspectors (down to top)
- Digital exchange between all levels, areas (Standards)
- Central coordination
- Preparation of scripts, manuals, etc.
- Provision of curated master tables as external source (FBOs, products)
- Frequent and regular training (networking)
- Exchange of software tools (Reporting, prediction)
- Risk predictions (Early warning, risk-based inspections, size of incident)
- Communication in wider range (Consumer, social media)
- Think beyond the single outbreak
